Amazon Prime Program Terms & Conditions:

- Promotional codes are good for one-time use only and must be redeemed by 8/31/15.
- If you are a current Amazon Prime member, the one year of Amazon Prime will begin when your current Amazon Prime membership is up for renewal.
- Prime Fresh members are eligible for this offer, and will receive a 4-month extension on their membership after applying the promotional code.
- Amazon Student and Amazon Mom members are eligible, and will receive a year extension of that membership type applied to their account when the existing membership is up for renewal.
- For members in a 6-month Amazon Student free trial, Amazon will immediately upgrade the account to a full year of Amazon Student (with full Prime benefits).
- Amazon Prime Terms and Conditions apply to Amazon Prime memberships and are subject to change without notice. The Amazon Prime Terms and Conditions currently provide that unless you notify Amazon that you want to cancel, or that you do not want to auto renew, your Prime membership will automatically continue each year. This means that Amazon will collect the then-applicable membership fee and any taxes by charging a credit card Amazon has on record for you without notifying you, unless notification is required by applicable law.
- Limit one redemption per Card Member.
